Brad Olsen came to talk at our meeting. He is running for Sheriff. He talked about his past experiences working in Oconto County and talked about what he could do for Shawano County.

Denny Nodolf wrote a letter asking the town to look into the high levels. Shanda Hubertus will be meeting with the correct people on Tuesday that may be able to help, she said if Alvin could get permission from the neighboring property’s owner where the water is backing up, they could look to see if it is beaver dams making the water so high.

Buoys at Sandy Beach were talked about, Dick Hesse said he will talk again to Mike Nelson about getting them in. Gary Schumacher will become the new President for the CLPA. Mary Beth Dorn talked about the big boats on the lakes that are causing damage and erosion due to the high waves they create.
