**TOWN OF BELLE PLAINE ORDINANCE REAFFIRMING AND, AS MAY BE NECESSARY, AMENDING THE  
TOWN OF BELLE PLAINE ZONING DISTRICT MAP TO ESTABLISH THAT TAX PARCEL 10332400100 IS  
ZONED GENERAL AGRICULTURAL DISTRICT.**

There has been some confusion as to the zoning district classification of Tax Parcel 01332400100 that arose from a proposed zoning map prepared by Shawano County that mistakenly identified the parcel as Residential District. This proposed ordinance is intended to clarify that the parcel is zoned General Agricultural.

The Town Plan Commission will review the proposed ordinance. It will then make its recommendation to the Town Board. The Town Board, after considering the recommendation, will take action to either adopt the proposed ordinance, amend the proposed ordinance or reject the proposed ordinance. A copy of the proposed ordinance and a map are available for review in the clerk's office during work hours.
