PUBLIC COMMENTS

Two people from the Adult and Teen Challenge a Residential Recovery Center presented information to the board and residents. They are asking to put a rehab place at N2888 Acorn Road which is a dead-end private road located on Shoenrock Lake. The large house at the end of this road could house 10-12 women. Discussion was held, Alvin said the zoning committee would have to determine if they would want the zoning changed to Commercial, since this is a non-profit, it would come off the tax role, if we have a meeting residents would need to be able to voice their opinion. It was also stated that the town may have to change Acorn Road from a private road to a town road because of all the updates it would need to be functional and then it would also be serviced by the town.

With no additional comments Wade made a motion to adjourn, seconded by Luke, all in favor, none opposed, motion carried

Kristine Vomastic Clerk
